TOP 10 REDS TO WARM YOU UP FOR THE COOLER AUTUMN WEATHER

By BRIAN FREEDMAN

OCTOBER 2014

Autumn is here, which means it's time to break out the rich, comforting red wines. And as always, the good news is that you don't have to break the bank to drink really, really well. These ten represent some of our favorites, and whether you drink them on their own or with a decadent meal, we're confident you'll swoon over them just as much as we did.
